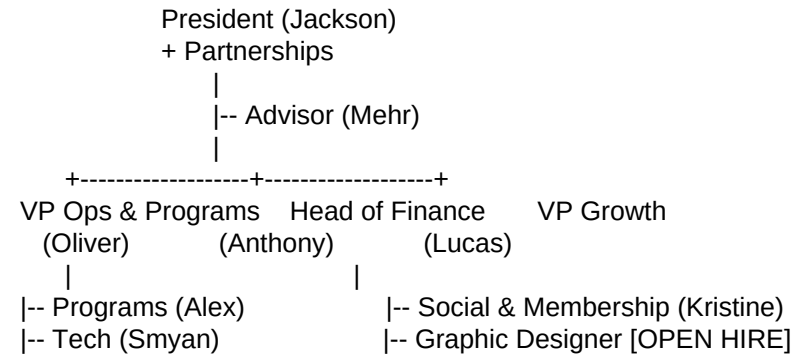
Seed data: Claude Builders Club (Fall 2026)



President: Jackson Lamoureux
Reports to: N/A · Manages: Oliver, Lucas, Anthony · Advisor: Mehr
- Sets semester vision, goals, and priorities for the organization
- Owns all partnerships: Anthropic, Khoury, faculty advisor, sponsors, guest speakers
- Leads funding asks with Anthony
- Final say on budget, Anthropic brand use, new partnerships, and board changes
- Opens the weekly exec sync and holds biweekly 1:1s with both VPs
- Reads Sunday updates and clears blockers the VPs can't solve

Founder & Advisor: Mehr Anand
Reports to: Jackson
- Sounding board for Jackson on strategy and tough calls
- Answers questions from Jackson as needed
- Optional technical input on the ops suite and workshops
- Provides continuity from the organization's founding

VP Ops & Programs: Oliver Ward
Reports to: Jackson · Manages: Alex, Smyan
- Runs the weekly exec sync agenda and owns the task board
- Collects Sunday updates from all leads and flags blockers to Jackson
- Owns the semester calendar for workshops, hackathon, and events
- Makes sure Programs and Tech deliver on time
- Keeps shared Drive and Slack organized
- Decides alone: deadlines, task assignments, internal process

VP Growth: Lucas Salzgeber
Reports to: Jackson · Manages: Kristine, Designer
- Owns member growth, event turnout, and organization brand on campus
- Builds relationships with other organizations on campus
- Manages the designer and sets priority across all design requests
- Signs off on brand consistency for posts, flyers, and decks
- Leads recruitment for the next board application round
- Decides alone: campus outreach, brand calls, design priorities

Head of Finance: Anthony Jones
Reports to: Jackson
- Keeps the budget tracker and all spending records
- Processes reimbursements and purchase requests
- Supports funding applications (SAO, Anthropic, Khoury) with Jackson
- Sends Jackson a monthly budget report
- Decides alone: approving spend under the set limit

Head of Programs: Alex Green
Reports to: Oliver
- Owns the 17-workshop plan: topics, order, dates
- Recruits and preps presenters (board, members, guests)

- Owns workshop materials: slides, starter repos, handouts
- Runs logistics: rooms, food, run-of-show, day-of setup
- Sets hackathon tracks, theme, judging, and logistics
- Collects feedback after each session and improves the next one

Head of Tech: Smyan Sengupta
Reports to: Oliver
- Builds and maintains the internal ops suite
- Owns claudeneu.com and all site updates
- Owns the check-in system, attendance data, and stamp-card rewards
- Gives member data to Kristine for outreach
- Technical QA on workshop materials and starter code
- Hands off current partnership contacts and threads to Jackson

Head of Social & Membership: Kristine Min
Reports to: Lucas
- Owns the content calendar across Instagram and TikTok
- Promotes every workshop and event
- Sends the new-member welcome and Slack invite
- Runs the newsletter and keeps Slack active between events
- Uses attendance data from Smyan to re-engage inactive members
- Sends design requests through the intake queue

Graphic Designer: Open Hire
Reports to: Lucas
- Builds and maintains the brand kit: colors, fonts, templates
- Designs flyers, social graphics, and event visuals
- Makes slide templates for workshops and partner decks
- Works only from the intake queue, no DM requests
- Turns requests around within an agreed window (3 to 5 days)

How we work (use for defaults in Tasks)
- One task board. Every task has one owner and a due date
- Sunday updates: every lead posts done / next / blocked by Sunday night
- Weekly 30-minute exec sync, blockers only, run by the VP Ops & Programs
- Design requests go through an intake queue; VP Growth sets priority
- Needs President: Anthropic brand use, spend over the set limit, new partnerships, board changes
